Ref: IRMA/Workshop/13-14

19th June 2013

Gentleman,

Re: Workshop

As a part of IRMA's activities for the benefit of the members and resin-consuming industries, our association is organizing a "Two Days Workshop" on "REFRESHER COURSE IN RESINS". The workshop will be conducted at the Institute of Chemical Technology (ICT), "Venkataramana Auditorium", Matunga, Mumbai 400 019 on Friday the 2nd and Saturday the 3rd August 2013.

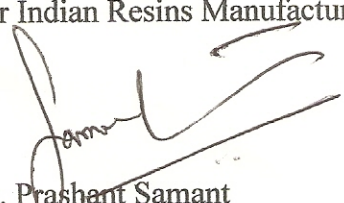

This workshop is being organized to have a better technical understanding of Resins. It is a golden opportunity for the technical staff, who is involved in the manufacturing/application of the resins. The workshop will cover technical lectures on solvent as well as water based resins.

The topics of the workshop have been selected for the benefit the technical staff, of both resin manufacturing as well as consuming industries. We request you to depute your representatives to take the advantage of this technical workshop that will be conducted by the most knowledgeable persons from the resin field.

This is advance intimation, so that you can mark the workshop dates in your future time-schedule. The requisite application forms and other details will be sent to you in due course.

Thanking you,

Yours faithfully,
For Indian Resins Manufacturer's Association,

Dr. Prashant Samant
Hon. Secretary

PS: Attached the Workshop Registration Form with a request to fill up and send us the same alongwith your cheque to enable us to register your name/s. Since the seats are limited you are requested to respond immediately.
